## DEPARTMENT PROMOTION & TENURE COMMITTEE (DPTC) CONSTITUTED

On September 3, 2019, the Faculty Senate adopted the new policy on faculty promotion and tenure at the University of Liberia. Per that policy, particularly regarding the procedures for faculty promotion and tenure, every academic department is to set up a Department Promotion & Tenure Committee to be responsible for accepting and reviewing applications for promotions and then making recommendations to the Department Chair for actions on promotion requests. The Department has henceforth constituted its DPTC with Mrs. Roseline Hinter-Konneh as chairperson. Other members of the Committee include Mr. J. Mac-Nixon Flomo (Co-Chair), Mr. Morris Wheh (Secretary), Ms. Sorna Sherif (Member), and Mr. James S. Shilue (Member). The Committee starts work immediately!
